John 3:22-36

Read John 3:22-36

Getting to grips with the passage:

1. Our passage begins with John the Baptist's disciples being miffed about Jesus' rising popularity. How does John set them straight in v27-30?
2. John the Baptist was one of the biggest celebrities of his time, with a following of thousands. What does his attitude towards Jesus tell us about both Jesus and John the Baptist?
3. We learn more about Jesus' greatness in v31-36. In how many different ways do we see just how important Jesus is?

Applying the message for today:

4. Having seen more of the greatness of Jesus in John's Gospel, what would it look like for us to live our lives by John the Baptist's motto in v30?
 - What is standing in the way of Jesus having a bigger place in our lives?
5. How does v36 lead us to be:
 - a) More thankful for Jesus?
 - b) More focused on telling others about Jesus and praying for them?
