**Singleness
Philippians 4:10-13**

1. What does contentment mean for you? What other words could you use to describe it?
2. What does it look like to learn contentment? How do you feel about the prospect of learning it?
3. Does v.13 mean we can do anything and everything? Why or why not?

Thinking specifically about Singleness now

4. What groups of single people do you have regular contact with? How do the needs of these different groups vary?
5. How do you think our churches can help those who are struggling with contentment (and not just single people)? What has helped you personally?
6. As Christians our “identity” is paramount. What does it mean to say we are “united to Christ” or “in Christ” and how does that shape our identity?
